

SAY NO

NO high voltage powerlines.

Allegheny Power wants to plow an unnecessary high-voltage power line over our mountains and through our communities.

Join us in saying “NO” to Allegheny Power and TrAIL.

SAY NO to 20 story power lines in Hampshire and Hardy Counties.
SAY NO to the Trans-Allegheny Interstate Line (TrAIL).

You can make a difference!

Don't let the quaint name for this project (TrAIL) disguise the damage it will do. Don't allow Allegheny Power to ignore your rights.

Protect your land value.

SAY NO to Allegheny Power's plan to build power lines so they can sell electricity to big cities in the northeast.

Tell others. We must act now.

Join your neighbors. **Join** the coalition. **Sign** the petition.
Contact your elected representatives. Make your voice heard.

We are the Capon Valley Coalition—property owners, residents and businesses of Hampshire and Hardy Counties—who oppose this power line to protect our land.

Please send us your contact information so we can keep you informed.
Petitions are available at many local businesses and on our website. Anyone can sign!
